

No	PRODUCT	EN STANDARD
1	Copper and copper alloy ingots and castings	1982
2	Drawn copper strip for electrical purposes	13601
3	Copper rod and bar for electrical purposes	13601
4	Copper tubes for electrical purposes	13600
6	Tubes for water, gas and sanitation	1057
7	Tubes for general purposes	12449
8	Tubes for heat exchangers	12451
9	Wire	12166
10	Plates	1652,1653
11	Oxygen free high conductivity copper for electronic tubes and semiconductor devices	13604
12	Copper wire for electrical purposes	13602
13	Copper sheets, strip and foil for electrical purposes	13599
14	Cast unwrought copper products	1976
15	Sheet and strip for building purposes	1172
16	Strip for springs and connectors	1654
17	Plate, sheet and circles for boilers, pressure vessels and hot water storage units	1653
18	Hot dip tinned strip	13148
19	Electrolytically tinned strip	14436
20	Seamless, round tubes for water and gas in sanitary and heating applications	1057
21	Seamless, round tubes for general purposes	12449
22	Rolled, finned, seamless tubes for heat exchangers	12452
23	Seamless round tubes for air conditioning and refrigeration	12735
